Dear Geraldine,

On behalf of the staff and residents of Novas Initiatives in Brother Russell House, I would like to express my sincerest gratitude to you and your volunteers at Heart to Hand for your ongoing support in supplying food and drinks for our service users in our hostel as well as in the community.

These donations are a lifeline for our residents as well as for vulnerable adults in independent apartments that are struggling to maintain accommodation and feed themselves and their families. Our service provides residential support for 29 men between 2 houses as well as providing outreach support to many more people in the area. We distribute these donations in our hostels and on our street outreach programme.

If you require further information on our services, please feel free to contact either myself or Eugene Toner (project manager) on (061) 416500 or check out our website at [www.novas.ie](http://www.novas.ie).

Many thanks,

  
Deputy Manager
